**source: county**

King County officials recently advised that, in order to help contain the region's Covid-19 virus outbreak, public gatherings of more than 10 people should be cancelled.

**tone: concern**

Out of concern for the health of our members and larger community, the following events have been cancelled:

**value: community health**

Sunday, March 8: Worship service, Choir practice, Stewardship, Worship Logistics, Worship & Music – cancelled

Tuesday, March 10: Choir practice – cancelled

Updates will be communicated by email, through this space and the church voicemail outgoing message at 206/935-2661.

Be good to each other and take care!

## A CHURCH THAT WELCOMES YOU!

**We are** a living, breathing, growing, welcoming, progressive Christian community right in the heart of the Alki beach area of Seattle. **We believe** that faith is a journey, not a destination, and we are blessed to share the journey with each other. **We are** 90-somethings and 20-somethings, toddlers and infants, and a lot of us somewhere in between. **We are** single, married and partnered; introverted and outgoing; LGBTQ and straight. **We don't** believe Christianity is the only way, but it's the way we've been called to follow, and we are trying to live it with as much integrity and joy as we can.

So check out our website, but better yet,  
**join us for worship ... every Sunday at 10:00 am.**
