Kalos Church Update:

tone: continuity

In person services are cancelled tomorrow, but we will meet on Facebook Live and at <https://www.kalos.church/online-service> to continue our "Death to Selfie" message series at 9:45am & 11:30AM.

tone: prevention, considered

We decided to cancel as a preventative measure as we prayerfully considered the updates from the CDC and King County Public Health Department.

If you need help or prayer, please send us a message on our @kaloschurch social media, our website, or info@kalos.church.

**logistics:
available**

tone: uncertain

In all of the uncertainty, we encourage you to rest in the shadow of the Almighty and make known the beauty of Jesus. Many people in our state are facing panic stress, and health concerns. Let's use this opportunity to comfort and love our neighbors through sharing supplies, loving messages, help, and wisdom.
