For precautionary measures, CBC will increase the frequency of cleaning and disinfecting common and high traffic areas. Hand sanitizing dispensers are located in various locations.

tone: preparation

logistics: cleaning

logistics/tone: accommodation

Please stay at home if you are ill or if you feel uncomfortable attending large gatherings at this time. You can worship live with us at <https://www.seattlecbc.org/live-streaming/>

logistics: online

What can you do?

Please follow these best practices from health officials:

source: county

- Wash your hands often with soap and water for at least 20 seconds. If not available, use hand sanitizer that contains at least 60-95% alcohol.
- Practice respiratory etiquette: Cover your coughs and sneezes with a tissue or your elbow or sleeve; avoid touching your eyes, nose or mouth.
- Please stay home, if you are have any flu-like symptoms or if you have had any of the following in the last 24 hours
 - -A fever (temperature of 100.4F or more)

logistics: personal

- -Vomiting
- -Diarrhea
- Who should self quarantine:
 - Recent travelers to countries or areas with widespread or ongoing community spread
 - Close contacts of confirmed COVID-19 cases.
- Who does not need to self quarantine:
 - Close contacts, such as family members or roommates, of people who have had close contact with a confirmed case but have not been had symptoms of COVID-19
